What an opportunity to get to know your extended NC Airstream family! Raleigh Oaks is one of the nicest RV resorts in NC which can host large groups with full hook-ups, two swimming pools (open but unheated), mini golf, pavilion and event space. They also have cabins available for club members without a rig.

We are planning a relaxing, fun-filled rally with many social opportunities including a mini golf tournament, movie, games, happy hours, and food, along with a few outings including a tour of Wilson's Whirligig Park.

CREATIVE CAROLINA HAT CONTEST: Design & wear your own Carolina inspired hat for Saturday evening activities. We will each vote and the top 3 winners will receive a Carolina themed prize.
